

Please use this form to effect an IRA rollover of funds from a qualified retirement plan or another Individual Retirement Account (IRA) held outside of Interactive Brokers LLC (IB LLC), when a trustee-to-trustee transfer does not apply.

## ROLLOVER ELIGIBILITY

Generally, a rollover is a tax-free distribution to you of cash or other assets from one retirement plan to another retirement plan. The rollover of assets is called a “rollover contribution.” Almost any distribution from a qualified plan can be rolled over to an IRA (exceptions include: mandatory distributions, distributions on amounts that exceeded limits, non-spousal death benefit distributions and hardship withdrawals). For more information, review the Rollover Eligibility Certification Form or IRS Pub. 590.

*This information is for general educational purposes only. Individuals should consult their financial advisor or legal counsel to determine how rollover regulations affect their unique situation.*
